

OUR MISSION STATEMENT

To offer a place where all individuals feel honored empowered and accepted through the healing experience of horses, animals, community and nature...

ABOUT OUR CHARITY

- River Ranch Educational Charities was granted 501(c) (3) status by the Department of the Treasury on October 17, 2003 by their Internal Revenue department.
- River Ranch was founded 15 years ago in conjunction with the vision that “ALL DREAMS CAN COME TRUE”. Our dream is to conserve a piece of nature within the city limits and provide a unique facility for the community.
- We give back to our community by offering our services free of charge to at-risk youth and those with special needs. We focus our efforts on the low income, at-risk and high functioning special needs communities. These precious patrons can visit throughout the year.
- We offer scholarships including: pony rides, riding lessons, trail rides, party packages, horsemanship badges and horse camps or we provide discounts depending on the client’s particular situation, ability & experience. We also offer complete weeks set aside during our annual summer camp just for them.
- Our charitable services are also offered to other non-profit organizations that are also contributing their efforts to the betterment of those less fortunate. We donate to a wide variety of organizations in the form of free donation certificates to be used as auction items to assist in their fundraising efforts.
- For the general public, we also offer horseback riding, numerous kid’s activities, adult and kid’s parties, weddings, reunions, team building, school tours, scout badges, horse camps plus seasonal events, rodeos and concerts for great rates. These services and fundraising events allow us to cover our overhead and offer free services, donations and scholarships.
- Total value of goods and services donated by River Ranch Educational Charities is over 1 million dollars.
- 100% of Proceeds benefit non-profit endeavors.
