## Ellis County Equine Association & Ellis County Equine Youth Association

The goal of the ECEA & ECEYA is to promote good horsemanship through education. Members of ECEA & ECEYA have opportunities to participate in seminars, clinics, open horse shows, youth club activities, trail rides and scholarship opportunities. The ECEA & ECEYA events are fun family-friendly with shows for you to bring your horses for experience in the ring.

Memberships will be approved by the Board of Directors within 30 days and will be effective as of the application date.

Members receive all ECEA & ECEYA mailings, show bills, newsletters and available discounts at open shows.

Membership renewals are preferred by the first show. You must be a member to qualify for daily high point and year-end awards.
