

# HOOFPRINTS

April 2017

- ⇒ Our next show is scheduled for May 6th at Navarro County Expo Center in Corsicana.
- ⇒ Early entries, stall reservations, and RV hookups can be emailed to Deann Wells at [deannwells@hotmail.com](mailto:deannwells@hotmail.com). Entries can also be mailed to the addresss on the showbill. Payment is not needed until the day of the show when you show your coggins at the check in table.
- ⇒ All who send in early entries will have show slips completed for them!! Save yourself some time and head over to the ECEA website to get your showbills!
- ⇒ Reminder that show bills are 2 pages long! You must have both sides!
- ⇒ Our club is growing and we have many new members! Since it has been a while since we have had a stallion show with us, please remember if you are a mare owner to be aware of the stallion's whereabouts. He's a well-behaved guy, but please don't park your mares next to him. Please listen for announcements for clearing of the alley when he comes through.
- ⇒ Our Trail Clinic and Show Ready Clinic was held on March 25th. Thank you to Katelin and Kristen Schramm and Flying Dollar Ranch for a great day! Great information and fellowship was shared by all!!
