

# HOOFPRINTS

March 2016

- ⇒ Please remember that every member needs 6 volunteer hours. Please contact Becky Hansen (bhansen2001@yahoo.com) to find out how you can help!
- ⇒ Thank you to Donna Duvall for a very successful Reining Clinic. All fourteen participants rode away with new knowledge!
- ⇒ Judge Deb Jarvis will be hosting a clinic on June 14th. More information coming soon.
- ⇒ The club is in need of an announcer for the May and July shows. If you know of someone, please email eceaboard@yahoo.com.
- ⇒ Don't forget to print and pre-fill out your showbills and class slips from the website. A few paper copies will be available at the desk at the shows as well.
- ⇒ The Reining and Hunter Hack classes have been opened to all riding divisions. There is only 1 pattern for both and they will both be 3 gait, but any member of any division may participate in these classes.
- ⇒ Daily High Point Clarification: You must show in halter, one western, and one English class to qualify. Several of our members ride multiple horses in different divisions. A rider is only eligible to win one Daily High Point per show, but are still eligible to take home a daily high point in one division and a reserve in another.
- ⇒ Please ask our wonderful volunteers at our desk if you have any questions

---

*"Our first show is quickly approaching! Good luck to everyone this show season!!"*
